About the Trust

Adhiyamaan Educational & Research Institutions (Trust) is registered Charitable Trust to serve the society, with a view to develop and provide quality education in the field of Engineering, Science, Technology, Economics, Management Studies, Education, IT, Computer Applications and Law. The main objectives of the trust are to organize, extend and implement educational services in rural and urban areas. There are more than 28 colleges including one Medical College and Deemed to be University, which are dedicatedly working to impart knowledge, values, and education. Three colleges are run by the Trust at Faridabad: Institute of Management & Technology (IMT); Institute of Law & Research (ILR) and St. Peter's College (SPC).

About the Institute

The IMT Faridabad was propounded in 1995 by AERI (Trust). It is approved by AICTE and affiliated to Maharshi Dayanand University, Rohtak. It is also NBA-AICTE Accredited Institute (2004-2007). IMT campus spread over 4 acres of land, has ultra-modern four-storey building consisting of one lac square feet of constructed area. IMT is known for its academic integrity, ethical governance and intellectual growth on one hand, and for its blend of cutting-edge curriculum, skill-building pedagogy, and uncompromising learner-centricity on the other. We impart education basically to shape and sharpen young managers to achieve the set goals by inspiring the spirit of interest, commitment and enthusiasm in practical business management. It is not just an institute but an ideal platform and forum for corporate techno-managerial aspirants. IMT Faridabad is recognized nationwide as a leader in the field of Management Education and Computer Applications. It offers Under- Graduate and Post-Graduate programmes.

About IMSAR, MDU, Rohtak

Institute of Management Studies and Research (IMSAR) is one of the prestigious business schools in north India and enjoys the privilege to be a founder part of the **NAAC accredited 'A+' grade state University – Maharshi Dayanand University, Rohtak**. The prime focus here is on high-quality research, teaching and extension services. The Institute is enriched with well-qualified and diversified faculty members who provide the advantage of a much wider view and deeper understanding. IMSAR offers distinguished Master's and Doctoral programmes in business education. The faculty members of the Institute have contributed to the development of high-quality Massive Open Online Courses (MOOCs). During the last three decades, it has emerged as a widely recognized centre of excellence in management education and research. A large number of its alumni with entrepreneurial talents have set up their own enterprises generating employment opportunities for others. IMSAR has produced a large number of management doctorates and many of them have made a mark in the field of academics.

About the Conference

The G20 is a forum of the largest 20 economies of the World, (19 individual countries and the European Union) and the leaders meet regularly to discuss the most pressing issues facing the global economy. India assumed the G20 Presidency on the 1st of December 2022 from Indonesia. It is expected to provide an opportunity for the country to showcase its economic growth and development, as well as its potential to become a global economic powerhouse. To quote the Hon'ble PMs reassuring words at the launch of the G20 website, logo and theme recently: "India's G20 presidency is coming at a time of crisis and chaos in the world. The symbol of the lotus in the G20 logo is a representation of hope at this time. No matter how adverse the circumstances, the lotus still blooms. Even if the world is in a deep crisis, we can still progress and make the world a better place." As India leads the world to a safer, stabler and sustainable future, it is every Indian's responsibility to promote dialogue and action on issues of global importance – and 'make the world a better place', in the PM's words.

Keeping in purview the above theme and the Hon'ble PM's Thoughts- we at IMT in association with IMSAR aim to deliberate on the topics which can contribute in the creation of India as a Vishwa Guru, as a champion, in the pursuit of building a better world.

Committee

Conference Directors

Prof. Satyawan Baroda,
Director, IMSAR,
MDU, Rohtak.

Prof. Ravi K. Handa,

Scope

India's G20 presidency theme of 'Vasudhaiva Kutumbakam' — 'One Earth, One Family, One Future' — to evolve the strategies for green development, fostering climate finance, technological transformation and digital public infrastructure, readying multilateral institutions for the 21st century and a focus on the three Fs — Food, Fuel and Fertilizers — alongside the broader theme of women-led development. The authors are invited to write articles on the following themes:

Green Development, Climate Finance and Lifestyle for Environment (LiFE)

- Climate Finance and Technology,
- Conserving Environment, etc.

Accelerated, Inclusive and Resilient Growth

- Accelerate integration of MSMEs in global trade,
- Bring in the spirit of trade for growth,
- Promote labour rights and secure labour welfare,
- Address global skills gap,
- Build inclusive agricultural value chains and food systems etc.

Quality Education

The key priority issues that have been identified for deliberation in the G20 Education Working Group are:

- Ensuring Foundational Literacy and Numeracy, especially in the context of blended learning,
- Making Tech-enabled learning more inclusive, qualitative and collaborative at every level,
- Building Capacities, promoting Life-long Learning in the context of the Future of Work,
- Strengthening Research and promoting Innovation through richer collaboration and partnerships,
- Strategies for inclusive, equitable, relevant quality education and lifelong learning opportunities for all. etc.

Technological Transformation & Digital Public Infrastructure

- Data For Development,
- Digital Skill Development,
- Digital Public Infrastructure,
- Cyber Security,
- G20 and the Global Digital Economy,
- Road map for digitalization in an interconnected world, etc.

Multilateral Institutions for the 21st century

- Role of multilateral institutions in international trade cooperation,
- Creation of reformed multilateralism for an accountable, inclusive, just, equitable and representative multipolar international system,
- Multilateralism in the state of crisis,
- Food and Energy Security, etc.

Women-led development

- Exploring the potential of gender transformative approaches,
- Grassroot Women Leadership,
- Bridging the Gender Digital Divide,
- Financial Empowerment and Self-reliance for women,
- Empowering Women to Lead across Sectors: Role of Digital Skilling and Future Skills, etc.

Original papers or cases on the above indicative topics, but not limited to, are welcome to be submitted for the conference.

Guidelines for papers

- All submissions will be peer-reviewed and evaluated based on originality, technical and/or research content/depth, and relevance to the conference.
- The abstract of not more than **350 words** excluding the **5 keywords**, **title** and **references** should be sent along with the full paper by **30th March, 2023**. The sub-theme under which the abstract is to be considered must be mentioned. Kindly format the paper according to the **attached template**.
- To facilitate the blind review process, the Author's name should not appear anywhere in the paper except the cover page. No paper will be reviewed without the format as prescribed.
- Author will have to certify that the material is unpublished, as well as original through a copyright form.
- The selected papers would be published in the **Conference Proceedings bearing ISBN** number and **few best** appreciated articles will be published in the **International Journal IMT VIJ: Vision International Journal, ISSN 2231-3311**.
- The accepted abstracts should be accompanied by full paper containing **Cover Page** that includes: the **title of the paper**, **author's name** and **brief profile** along with the **e-mail** and the **contact numbers**. References should be cited at the end of the paper. All the tables and figures must be serially numbered.
