Chairperson's Message

The institutions at Faridabad have a distinctive mission and history that set us apart from other institutions when we started our charitable trust Adhiyamaan Education and Research Institute (AERI) almost two decade ago. We envisioned a new kind of academic institution - one that could put it, “serve the times and the nation’s needs.”

Our efforts for innovating curriculum, percolating research culture, supporting our innovative student teams and upgrading our infrastructure with a vision and commitment to move further on the pathways of excellence perhaps is what made our institutions to climb to be a top class institution in the Haryana / NCR region. It must be highly satisfying that our stake holders namely, the Industry, Government and the people in the community have acknowledge their recognition of the spirit of excellence of our institution as it is truly reflected in our endeavor to provide value based education.

Faith in the name of our institutions which are now leading in spirit that the industry, Government and the society recognizes the value of goodness that is cultivated in this institution in plenty by its students, teachers and all those who are part and parcel of these institutions.

I am sure our achievements will make feel everyone of us proud. Our alumni here in India and abroad will feel proud of our achievement and this must invigorate our mind and soul to commit for even higher levels of achievements in the ensuing years.

Dr. (Mrs.) Banumathi T

M.B.B.S., D.G.O
Chairperson AERI

Message From

The Director AERI

*Exciting opportunities await you at our
Esteemed Colleges!*

Dear Prospective Students,

It is my great pleasure to extend a warm welcome to you on behalf of the prestigious management, law, and degree colleges. We are delighted to present our updated prospectus, providing you with a comprehensive overview of the remarkable educational journey that awaits you within our esteemed institutions.

At our colleges, we believe in continuation of EXCELLENCY again and again, hence we strive to provide a transformative learning experience that equips you with the technology, digital skills, knowledge, and character necessary for success in your chosen fields. Whether you aspire to become a dynamic business leader, an astute legal professional, or a well-rounded individual with a solid foundation of knowledge, our colleges offer a range of programmes tailored to your ambitions.

IMT established in 1995, being the first Private Management College, is renowned for its cutting-edge programmes that foster entrepreneurial thinking, leadership abilities, global mind set and constant excellence for the last 28 years. With a curriculum designed to keep pace with rapidly evolving business landscapes, we offer specializations in various fields such as finance, marketing, human resources, and operations management. Our experienced faculty, industry collaborations, and experiential learning opportunities will empower you to tackle real-world challenges with confidence.

ILR established in 2001, nurture the next generation of legal professionals who are well-versed in the intricacies of the law and have a deep understanding of justice and ethics. Our rigorous programmes cover diverse legal areas, including corporate law, criminal law, intellectual property, and international law. Through moot court competitions, internships, and interactions with eminent legal practitioners, we provide you with a strong foundation to excel in the legal profession and make a meaningful impact on society.

The Degree College established in 2022 offers an array of undergraduate programmes that combine academic rigor with holistic development. Whether you're passionate about the arts, commerce, sciences, humanities, or technology, we have a wide range of disciplines for you to explore. Our distinguished faculty, state-of-the-art facility, and vibrant campus life foster an environment where intellectual curiosity thrives. Through research projects, internships, and community engagement initiatives, we enable you to cultivate your talents and become well-rounded individuals ready to tackle the challenges of the modern world.

We encourage you to delve into the prospectus, which contains detailed information about our programmes, faculty, campus facilities, scholarships, and the admission process. Take this opportunity to explore the possibilities that await you within our colleges.

I invite you to join our vibrant community of learners, thinkers, and doers who are shaping the future through their passion and dedication. Together, let us embark on an extraordinary educational journey that will transform your aspirations into achievements.

Please do contact our team for any enquiry or clarification, who will be more pleased to guide you through the admission process.

Wishing you all the very best in your pursuit of academic excellence!

Prof. (Dr) Ravi K. Handa
Principal IMT, Director AERI

Values, Vision & Mission

high academic standards

Strive to develop skills

IMT, Faridabad

contribution to society

Integrated learning

Commitment to students

Knowledge Centre

training trendsetter

educate

global orientation

grooming managers

Integrity

Values

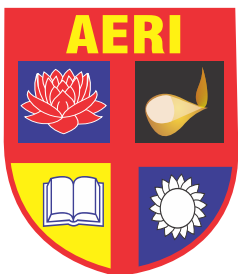

- Maintain high academic standards in teaching, research and contribution to society.
- Integrated learning with emphasis on lifelong learning skills.
- Commitment to students-nurture their talents to become responsible leaders.
- Continuous improvement of our programs and people.
- Strive to develop students with global orientation.
- Develop customer centricity, strong sense of values and integrity among the faculty, staff and students.

Vision

Institute of Management & Technology

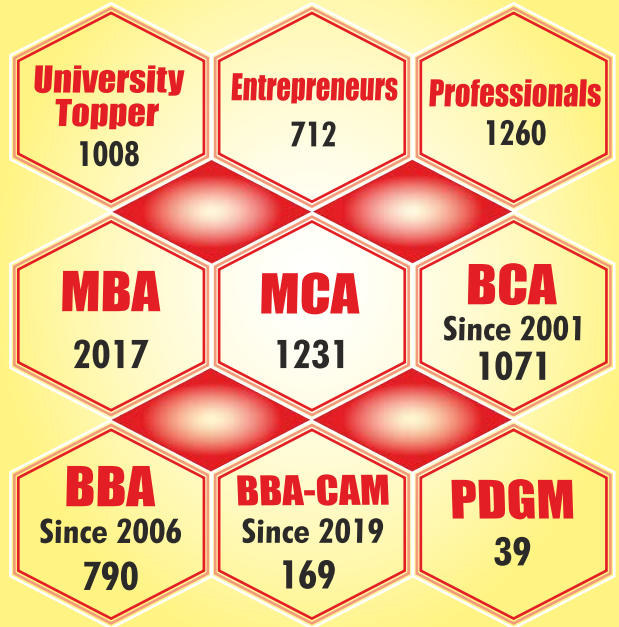

(Approved by AICTE & affiliated to MDU, Rohtak)

About the Institute

Centrally located the IMT Faridabad was propounded in 1995 by Adhiyamaan Educational & Research Institutions (Trust). The Institute is affiliated to Maharshi Dayanand University, Rohtak which is a State University established under Haryana Act No. 25 of 1975 with the objective to promote inter-disciplinary higher education and research. The University has been awarded with Grade A+ by NAAC; ranked 94th among top 100 Indian Universities and 1st among State Universities of Haryana in NIRF 2021 by MHRD, Govt. of India.

IMT campus spread over 3.5 acres of land, has ultra-moderns four storey building consisting of one lac square feet of constructed area. IMT is known for its academic integrity, ethical governance and intellectual growth on one hand, and for its blend of cutting-edge curriculum, skill-building pedagogy and uncompromising learner-centricity on the other. We impart higher education basically to shape and sharpen young managers to achieve the set goals by inspiring the spirit of Interest, Commitment and Enthusiasm in practical business management. It is not just an Institute but an ideal platform and forum for corporate techno-managerial aspirants. IMT Faridabad is recognized nationwide as a leader in the field of Management education and Computer Applications.

IMT at Glance since 1995

Message From

The Vice Principal

Welcome to IMT!

We are thrilled to present to you our college prospectus, providing you with a comprehensive overview of the exceptional educational opportunities and vibrant campus life that await you at our esteemed institution. At IMT, we believe in fostering an environment of academic excellence, personal growth, and innovation. The dedicated faculty members are experts in their respective fields and are committed to providing you with a dynamic and enriching learning experience. Our course curriculum is carefully designed by the Maharshi Dayanand University, Rohtak so as to equip you with the knowledge, skills, and competencies needed to thrive in the rapidly evolving global landscape. The courses are tailored to meet the highest academic standards and are constantly updated to align with industry demands. Whether you are pursuing undergraduate or postgraduate studies, you can be confident that you will receive a rigorous education that prepares you for a successful career.

Beyond the classroom, we offer a vibrant campus life that encourages holistic development. These activities not only promote personal growth and leadership skills but also allow you to forge lifelong friendships and create cherished memories.

Our college maintains strong industry partnerships and offers internship opportunities, industrial visits, and guest lectures by industry professionals. These engagements enable you to gain practical insights, build a professional network, and enhance your employability. Thank you for considering IMT as your destination for higher education.

We look forward to welcoming you and embarking on a remarkable educational voyage together.

Sincerely,

Prof. Parul Khanna

The Corporate Placement Centre (CPC) at IMT is an initiative which continuously strives to fulfill the changing socioeconomic scenario of the country in which new areas of specialization and job opportunities are rapidly emerging. CPC progressively enhances the synergy between the institution and industry and also strictly safeguards as well as controls the quality of services being offered to the industry and businesses at large, while ensuring the highest quality training, internship and placement opportunities to the budding managers and the technocrats. These relations are further consolidated through Guest Lectures, Academic Activities and Campus Placement. The CPC corresponds with the prospective Recruiters, arranges Pre-placement talks and workshops as well as provides all the facilities required by the visiting companies. Alumni

IMT is a great institute to be part of and I am extremely proud to be an alumni of this esteemed institute. IMT gives you a supportive environment to focus on your career and achieve your dream. Wonderful Experience and Learning from IMT Institute, Faridabad.

Nitasha Choudhary
 Manager, Talent Acquisition -
 KPMG

It was a great time that I spent in IMT Faridabad while pursuing the MCA programme. I think it is very helpful having teachers that make you want to study and make you learn new things without being boring. It was such an interesting experience because every day I learnt something new.

Deepak Bhati
 Ass;t Manager (IaT Opr.)
 AXIS Bank Ltd.

Being a part of the MCA programme at IMT Faridabad has been a great experience which has helped me as well as many students like me to realize my full potential. The Training and Placement cell of the college continuously provided assistance to the students regarding their placements.

Vikas Bainsla
 Senior Analyst,
 HCL Technologies Ltd. NOIDA

While I got seat in IMT Faridabad for MBA, I was really confused as shall I go for it or not, then I meet few of the existing students from institute and I found institute has good professors on their Role as regular professors and that made me decide and my decision was correct. Institute given more than 100% in terms.

Chanchal Deshwal

"When I took a sabbatical from Army to pursue MBA I had no hesitation in selecting IMT Faridabad. Headed by charismatic Dr Ravi Handa the faculty is outstanding, facilities are great and the atmosphere conducive for knowledge gain at the institute. The institute provides numerous opportunities for all round growth and industry academia interaction. I thoroughly enjoyed my two years in the college and made lifelong friends. All my batch mates are well placed and pursuing positive career progression. As the first President of IMT Students Alumni Association, I wish the college a glorious future and all aspiring young adults a wonderful student and professional life.

Keep shining IMTians! Jai Hind!

Col. (Dr.) Atul Kumar

It gives a great pleasure that I did my MBA from IMT, Faridabad. The learned faculty of the institution is very positive for all students and always willing to extend all helps for personal advancement of each student. I have fond memories of my two years spent there and always cherish them. The campus is filled with positive energy and exuberance.

Gr. Cap. Dr. Anand Sarup

IMT College has been a great contributor to the development of my personality. I have established my leadership, time management, and team skills and have also been able to advance these skills. The best thing about this college is the cross-culture interaction between students from various parts of the world. The professors here make the college what it is today.

Aasif Khan
 HR Executive- HR Operations,
 Persolkelly India Pvt. Ltd.

Being a part of the MCA programme at IMT Faridabad has been a great experience which has helped many students to realize their full potential, me being one of them. It has all the best facilities under one roof – good infrastructure, professional teaching faculty, well stocked library and updated computer labs. I was able to give my best due to the help I got from my professors. The Training and Placement cell of the college continuously provided assistance to the students regarding their placements.

Prabhat Kumar Rana
 Assistant System Engineer,
 Tata Consultancy Services

I have had an amazing time studying at IMT, the comfortable study environment, friendly staff and wonderful resources and also offers several academic opportunities. There are so many activities that you could participate in along the way to get more campus life experience. The entire faculty leaves no stone unturned to shape one's future. the discipline has broadened my knowledge and skills and provided me with a platform to enter the workforce. I am sure you will grow, improve yourself and become a better "you."

Gaurav Dubey
 Transit Supervisor, Translink,
 Canada

The establishment of Internal Quality Assurance Cell (IQAC) by accredited institutions (after the first cycle) is a major step in pushing long-term quality standards. IQAC at IMT plays a significant role as an administrative body which is responsible for all quality matters. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions.

We at IMT promote and determine quality related activities and issues through various programmes and activities such as seminars, workshops, symposia, conferences, panel discussions, role playing exercises, (model) demonstrations, case studies, academic meetings and any such other kind of event or programme for all the stakeholders of the institute. IMT IQAC in maintaining quality standards in teaching, learning and evaluation too.

International Journal

We at IMT mooted the idea of starting a **Magazine** in the year **1999, Vision Beyond**, in joint efforts of the students, alumni, corporate delegates & a core group of faculty members. Then in the year 2011, the Institute launched its **International Journal VIJ Vision International Journal ISSN 2231-3311**.

VIJ: Vision International Journal, represents the culmination of efforts from many people who believe that management and computing education publication deserves proper exposure and recognition. Our desire is to make the Journal not only attractive but also informative to all the members. Till date six Issues have been released and circulated in all the parts of the Indian sub-continent and Internationally also to **University of Nottingham, Malaysia; Presidency University Bangladesh; Curtin University Australia; University of Central Arkansas, Conway USA, University of Dammam, Saudi Arabia, Monash University, Perth, Australia** and many others..

National & International Conferences

Since its inception in 1995, the Institute has organised many conferences both National as well as International. In the year 2010 to strengthen quality of technical education, the Institute organised **International Conference on Business Intelligence - An Alignment of IT and Management** on **09th April, 2011**. Thereby in the year **2012, International Conference on Innovations in Management & IT ICIMIT 2012**: was organized. Following year witnessed the **International Conference on Reinventing Thinking Beyond Boundaries to Excel**, which aimed at facilitating a new message that is an essential part of the work and something to help transform individuals, teams, organizations, economy & society; create a thrivable work culture leading to achieve the 'Impossible'. The papers for publication in the **Book** titled **Conference Proceedings "International Conference on Reinventing Thinking Beyond Boundaries to Excel"**, bearing **ISBN 978-93-5104-880-0**, was released at the conference after a thorough and strict approval by the National & International Review Board.

In the year 2017, we organized **"International Conference on A Journey Towards Platinum Era- Vision Rainbow Power of India"** (ICPVRPI 2017), on **07th & 08th April, 2017** which focused on the vision and dream of our Honorable Prime Minister of developing **RAINBOW POWER OF INDIA** that will become the pivot of most initiatives in the lead to the year 2022.

In **2023, Institute of Management & Technology, Faridabad**, organised an **International Conference** in association with **Institute of Management Studies and Research, Maharshi Dayanand University, Rohtak**, on **'India's G20 Presidency: Role, Challenges and Solutions in Creating One Earth, One Family and One Future'** on **21st & 22nd April, 2023**. We received massive participation from **all over India** such as **Ballari-Karnataka, Bareilly, Lucknow - UP, Sonapat, Panipat, Faridabad, Rohtak-Haryana, Ludhiana, Chandigarh-Punjab, Delhi, Noida, Gurugram, Pune, Jaipur, Assam, Bangalore, Hyderabad, and International participation from: Australia, New York, Bangladesh, Mexico and many others**. We have received around **200** research & conceptual papers related topic of the conference. After the double-blind peer review scrutiny procedure, nearly **107 papers** have been selected for the presentation. The two days **conference also exhibited 17 Sustainable goals Exhibition**, which displayed the creativity and insights as developed by the **students of BBA, BBA-CAM, BCA, MBA and MCA**. **Prof. Satyawan Baroda, Director IMSAR & Conference Director (IMSAR)** along with **Prof. Pardeep K. Ahlawat, Professor & Conference Convener (IMSAR)** gave a lot of support and guidance for the smooth conduct of the conference. Exceptional papers were recommended for submission to the **Vision International Journal (ISSN 2231-3311)**.

The papers for publication in the **Book** titled **Conference Proceedings "India's G20 Presidency: Role, Challenges and Solutions in Creating One Earth, One Family and One Future"**, bearing **ISBN 978-93-5891-038-4**, was released at the conference after a thorough and strict approval by the National & International Review Board.

IMT Annual Convocation

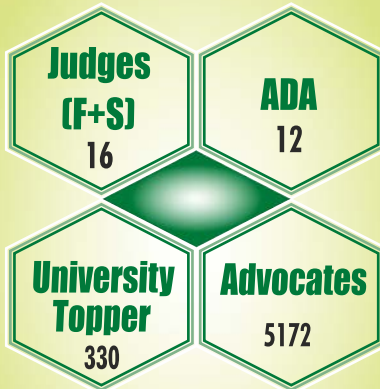

The Annual Convocation was graced by Smt. Meira Kumar, as Chief Guest, at NCUI, Khel Gaon Marg, New Delhi. A gathering of around 355-425 Graduands, Guests and people from media and press were present.

Industry Academia Convergence

Stressing the need for greater convergence of industry and academia, the RDC Cell of IMT Faridabad, aims at organizing varied series of lectures, workshops etc., for the enrichment and development of the students on a regular basis. The aim of this initiative is to highlight the areas where action can be initiated in education sector, social sector and corporate sector for effective orientation to Responsible Management Education and Practice.

ILR at Glance since 2001

ILR is a premier center of Legal Education and Research. It is a centre for energetic and creative learning. The Institute of Law & Research (ILR), Faridabad was established in 2001 to conduct 5-year integrated B.A. LL.B. and 3year LL.B. The Institute is affiliated to Maharshi Dayanand University, Rohtak which is a State University established under Haryana Act No. 25 of 1975 with the objective to promote inter-disciplinary higher education and research. The University has been awarded with Grade A+ by NAAC; ranked 94th among top 100 Indian Universities and 1st among State Universities of Haryana in NIRF 2021 by MHRD, Government of India.

The ILR Faridabad. Is the first self-financed institute in Haryana keeping in the view with commitment to impart excellent quality of legal education at par with the premier law institutes in India and abroad. The institute is located just 11 kms from old Faridabad bus stand NH-2 and Railway and Metro station. Frequent public and college transport facilities are available. The commitment and conviction shown by the students in the field of legal education and legal culture is applaudable. The institute is committed towards the excellence of Legal education and developing the legal culture under Haryana Legal Aid services and provide social and legal support to the common man.

Message From The Principal

Empowering legal minds: Discover your path at [Institute of Law and Research]

Dear Future Legal Professionals,

Welcome to ILR oldest and First Self-financed Law College established in 2001! Our prospectus offers a comprehensive overview of the exceptional educational opportunities awaiting you at our esteemed institution.

At ILR, we are committed to nurturing the next generation of legal minds with a strong foundation in law, ethics, and social responsibility. Our exceptional learning environment equips you with the skills, knowledge, and values necessary to excel in the legal profession. We have comprehensive Curriculum, experimental learning, faculty excellence, research and publication and professional development.

Explore our prospectus for detailed information on courses, faculty, admissions, and scholarships.

For any assistance or queries, our dedicated admissions team is ready to guide you through the application process.

Embark on an enriching journey at ILR, where you'll receive an outstanding legal education and develop into compassionate, ethical, and socially responsible legal professionals.

Wishing you success in your pursuit of legal excellence!

Building

The Institute is located at luxuriant green pollution free zone at Faridabad, surrounded by diverse education houses. The Institute is a well constructed multistorey building inhabited in lush green spacious campus spread over 5 acres of land with all modern resources.

The Institute presently has 24 class rooms, Library, Computer lab, Principal & Administrative office, faculty rooms Audio-visual room and common rooms separate for boys and girls, moot court room and a big conference hall etc. The generator set has been installed as an alternate source of electrical power. All other amenities including water cooler equipped with R.O. to make compatible atmosphere for study are provided.

Class Room

The ILR has spacious well furnished Smart classrooms, with adequate ventilation & natural light, having a capacity of 60 to 100 students. All classrooms are equipped with complete modern education aids like sound system and multimedia projector.

Library

The Library is an integral part of academic endeavour in the

Law Institute and is being constantly upgraded by the acquisition of the latest books and journals and keeping in view with the changing times to further advancements of the Institute, academic activities and hopes in future for digital library for national and international challenge.

The library is the heart of any academic Institution and plays an important role in all academic activities and make easy access to the library resources. The library of ILR is considered as a laboratory, where the apparatus for the law students are available viz. newspaper, books, case law reports, magazine report and journals. The students would perform legal research like experiments to augment their studies by using these equipment in becoming the premier centre for legal education and research in 21st century.

Teaching Methodology

For over all personality development of the students, major focus is given to theoretical and practical knowledge of the actual work environment. This includes classroom lectures, presentations, seminars, debates, quiz, court visits, moot court training, case studies, participating in legal aid camps and project work for the budding lawyers.

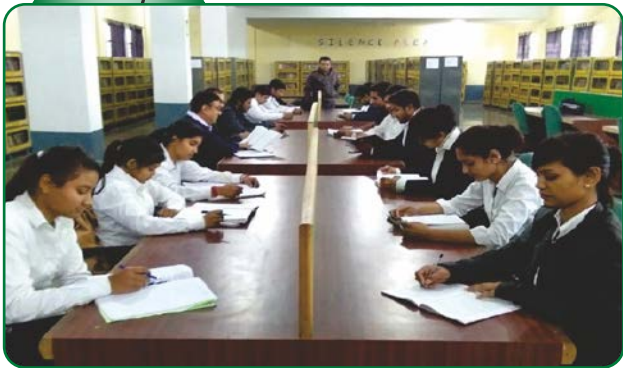

Campus

Classroom

Library

Auditorium

Cybernetics & Computer Lab with Manu Patra

The Institute has fully-equipped and air conditioned Computer Lab to cater to the computing needs of all students and training requirements of several basic computer-literacy course. The Lab is fully equipped with 40 number of Hi-Tech Pentium computers with internet facilities. All the landmark Judgments of Hon'ble Supreme Court of India and High Courts of various states have been computerized for quick reference for the students & faculty. All the legal databases are made available to the students of ILR through CD-ROM and subscription to web based database like Manupatra and Westlaw International.

Anti Ragging Cell

As per the directive of Hon'ble Supreme Court and Human Resource Development Ministry, and guideline of the Hon'ble Vice Chancellor, M.D. University, a full working anti-ragging cell has been constituted in the institute. Ragging is a disease which can be cured by prevention and control. Ragging is considered a criminal offence and amounts to cancellation of admission.

Moot Court & Legal Aid Clinic

Moot Court Hall at ILR is the Laboratory to test the Advocacy skills of the students. A fully furnished Moot Court Hall is available in the Campus and all the Court Room Exercises are conducted in the Moot Court Hall. It inculcates in the students the knowledge of law and legal understanding.

The institute also has a practical Moot Court Society, which coordinates all the mooting activities. The Moot Court Society conducts an intra-mural Moot Court Competitions and selects Mooters to represent ILR at various Moot Court and Client Counselling Competitions held at various places in India and abroad.

The institute has set up Legal Aid Clinic in order to fulfill the demands of poor men and women who find it difficult to approach the courts and professional lawyers. This also helps the students to get practical exposure and develop their legal skills. The Institute organizes Legal awareness camps and legal training programmes to spread knowledge of law among the common people.

Smart Classrooms

At ILR the smart classroom is technologically advanced providing learning environment that integrates digital tools and resources to enhance the educational experience. It includes interactive displays, audiovisual systems, internet connectivity and various educational software and applications.

Alumni

“

I got so much exposure during the entire five year course. The teachers are very friendly and always motivate their students when they get disheartened. Here, the environment is so peaceful. This is a place where you grow as a person and learn many things.

Vandana Tyagi
Advocate, Tis Hazari District Court,
New Delhi

“

A stellar institution with very helpful and sincere staff and faculty. It was an enlightening and motivating experience while pursuing LLB.

Mr. Arun Prabhakar
Advocate, Patiala House District
Court, New Delhi

“

My experience at the institute has been evolving and engaging. The faculty nurtured and instilled a zeal in me to learn new concepts of law and legal theory. The faculty had always pushed for group discussion which had been helpful throughout the entire course. The campus environment was..

Ms. Shivani Ghosh
Advocate, Saket District and
Delhi High Court

“

I can positively say that the Institute of Law and Research, has made me a better person. I had spent a great time here. They have a wonderful and well experienced faculty and they are very co-operative, friendly and helpful. Their way of explaining things is very simple so that it is easy for the student...

Mr. Koshlinder Sharma
Advocate, Palwal District Court,
Haryana

“

It is an honour for me to become a part of this prestigious educational institution called "Institute of Law and Research." An institution with an optimistic approach towards the overall development of an individual. The entire campus and faculty not only create a comfortable and friendly...

Mr. Aman Goel
Entrepreneur

“

My experience at the college was wonderful. The best thing about being a part of this institute was the supportive environment, where everyone is focused and help each other. The years spent were full of learning opportunities that were full of fun and frolic.

Ms. Geetanjali Ahuja
Deputy District Attorney,
Panipat, Haryana

“

My experience at the Institute has been wonderful. The environment was very conducive for learning. The library at the Institute is very rich in legal as well as other resources. The teachers are very helpful.

Ms. Pragya Manas
Civil Judge(JD), Chhapra, Bihar

“

The college is really fulfilling the dreams of common people. The teachers here are the humblest. The college provides an enriching environment which helps you understand the complexities thus providing an upper edge in the competitive environment.

Ms. Kopal
Civil Judge (JD) cum Judicial
Magistrate, Gurugram, Haryana

“

I feel scarcity of words to describe my feelings in praise of my alma mater. The institute of Law and Research provided me a smooth and memorable platform to pursue LL.B. the teachers also gave me valuable insight into the basics of legal field for which I shall remain indebted to them for life. I feel....

Mr. Tarun Kumar Verma
Civil Judge (JD) cum Judicial
Magistrate First Class, Panchkula

TEAM SPC

- 1. Academic Building:** SPC college have state of art building dedicated to academic activities. It includes classrooms, lecture halls, laboratories, libraries, and administrative offices.
- 2. Classrooms:** The college has several well lit and ventilated classrooms equipped with desks, chairs, whiteboards or blackboards, and audiovisual equipment. These rooms are used for regular lectures and discussions.
- 3. Laboratories:** The Physics lab have workbenches which are equipped with clamps, holders, and other apparatus to support various experiments, where students can conduct experiments. The labs contain a variety of apparatus and equipment such as pendulums, lenses, prisms, optical benches, spectrometers, electromagnets, resistors, capacitors, voltmeters, ammeters, and oscilloscopes. These instruments are used to perform experiments related to mechanics, optics, electricity, magnetism, and other branches of physics.
Chemistry lab contain a wide range of chemicals and reagents used for conducting experiments. These include acids, bases, solvents, indicators, salts, and other substances required for various chemical reactions and analyses.
- 4. Ventilation and Safety Measures:** Due to the potential hazards associated with chemical experiments, chemistry labs are designed with proper ventilation systems and fume hoods to ensure the removal of harmful fumes and gases. Safety equipment like fire extinguishers, goggles, gloves, eyewash stations, and emergency showers should be readily available.
- 5. Libraries:** A well-stocked library is an essential component of a degree college. It provides students access to a wide range of books, reference materials, academic journals, periodicals, and digital resources. The library may also have dedicated study areas and computer terminals for research purposes.

Safe Environment

6. **Computer Labs:** With the increasing importance of technology in education, most degree colleges have computer labs. These labs are equipped with computers, printers, internet access, and relevant software to facilitate computer-based learning and practical sessions.
7. **Auditoriums:** Auditorium or multipurpose halls for hosting events such as conferences, seminars, workshops, cultural activities, and guest lectures are also available. These spaces are designed to accommodate a significant number of participants and often have audiovisual facilities.
8. **Administrative Offices:** The administrative block houses offices for the college administration, including the principal's office, faculty rooms, administrative staff rooms, and accounts department. This is where administrative tasks, admissions, student records, and other administrative functions are carried out.
9. **Transport Facility:** From all over Faridabad, Ballabgarh and all corners of the city.
10. **Sports Facilities:** These facilities can include playgrounds, sports fields, indoor games.
11. **Cafeteria and Refreshment Areas:** Colleges often have a cafeteria or food court where students can purchase meals, snacks, and beverages. These areas provide a space for students to socialize and take breaks during the day.
12. **Parking Facilities:** Adequate parking space for students, faculty, and staff members is essential in a college. There may be designated parking lots or areas for vehicles, including bicycles.
13. **Smart Classroom :** At SPC the smart classroom is technologically advanced providing learning environment that integrates digital tools and resources to enhance the educational experience. It includes interactive displays, audiovisual systems, internet connectivity and various educational software and applications.
