Reasons to Join IMT & ILR

1

Oldest Institute

IMT is the oldest Institute with 31 years and ILR 25 years of teaching excellence in Haryana

2

Strategic Location

IMT & ILR boasts a strategic location, in the heart of Faridabad, 2.5 kms. from Metro and 0.5 kms. from Mumbai Expressway and is easily accessible

3

Highly Qualified Faculty

Highly qualified faculty with Ph. D., NET, rich academic and industry experience provides quality education in era of AI & Data Sciences based on focused curriculum from a NAAC A+ accredited university.

7

Alumni

IMT has strong alumni network of 6759 students and ILR has 5715 advocates for placements and internships.

4

Best Infrastructure

Both provides best infrastructure with Digital Library, Ultra modern Classrooms, Computer Labs, Cafeteria, Sports facilities, Moot Courtroom etc.

5

Add on Courses

To enhance skills on: Artificial Intelligence; Soft Skills Training; Advanced Excel; Data Analytics; Sustainability; New Criminal Laws; AI in Criminal Justice, Data privacy and International Arbitration etc.

MOU

IMT has collaboration with various organizations as: ICSI, ICT Academy, AIMA-FMA; Alobha Tech.; Deligence Tech.; App Squadz; Froyo Tech.; which facilitates students for Internships and placements.

6

Chairperson's Message

The institutions at Faridabad were established with a vision to serve society and the nation through value-based education. Over the years, continuous efforts in academic innovation, research culture, infrastructure development, and student empowerment have helped the institutions emerge as leading centers of excellence in the Haryana/NCR region. The trust and recognition received from industry, government, and society reflect the commitment of the institutions toward quality education and holistic development. With the collective dedication of students, teachers, alumni, and stakeholders, the institutions continue to achieve greater milestones and inspire pride both in India and abroad.

As Chairperson, I believe that education must not only impart knowledge but also inspire character, leadership, and social responsibility. We remain committed to creating an environment that nurtures innovation, excellence, and lifelong learning for the leaders of tomorrow.

Dr. (Mrs.) Banumathi T.
Chairperson AERI

Principal Director's Message

Prof. (Dr.) Ravi K. Handa
Principal Director IMT
Director AERI

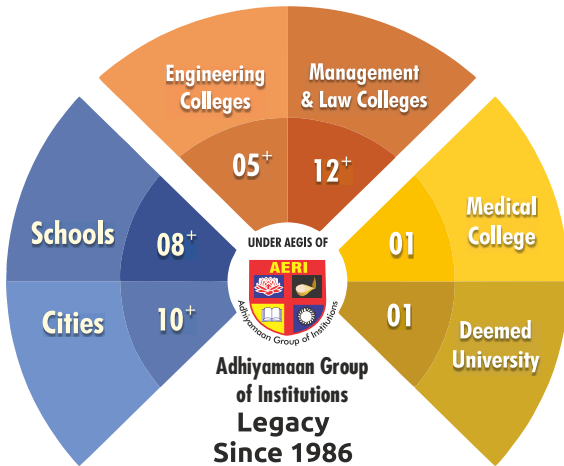

In today's highly competitive global environment, success demands vision, proactive thinking, and continuous hard work. At IMT and ILR Faridabad, we believe that education should shape not only successful careers but also values, leadership, ethics, and social responsibility.

IMT Faridabad, with its proud legacy of 31 years, has been a pioneer in Management and Computer Applications education, focusing on practical learning, innovation, and technology-driven education. ILR Faridabad, a premier institution with a legacy of 25 years known for legal education and research, is committed to nurturing competent legal professionals equipped with integrity, critical thinking, and advocacy skills to uphold justice and serve society.

Together, the institutions strive to create future-ready professionals and responsible citizens who contribute meaningfully to the nation and bring pride to the institution across India and abroad.

Adhiyamaan Group of Institutions

ABOUT THE TRUST - ESTD. 1987

AERI-Trust was registered as a Charitable Trust in the year 1987 to serve the society, with a view to develop and provide quality education in the field of Engineering, Science, Technology, Economics, Management Studies, Education, IT, Computer Applications and Law. The main objectives of the trust is to organize, extend and implement educational services in rural and urban areas.

INSTITUTIONS OWNED & RUN BY THE TRUST

- ▶ Institute of Management & Technology, Faridabad, Haryana
- ▶ Institute of Law & Research, Jasana, Faridabad, Haryana
- ▶ St. Peter's International School, Faridabad, Haryana
- ▶ St. Peter's Institute of Higher Education & Research, Chennai, Tamil Nadu
- ▶ St. Peter's Medical College & Hospital, Hosur, Tamil Nadu
- ▶ Adhiyamaan College of Engineering, Hosur, Tamil Nadu (Autonomous)
- ▶ Adhiyamaan Polytechnic, Hosur, Tamil Nadu
- ▶ Adhiyamaan College of Education, Hosur, Tamil Nadu
- ▶ Adhiyamaan Teacher Training Institute, Hosur, Tamil Nadu
- ▶ MGR College of Arts & Science, Hosur, Tamil Nadu
- ▶ Vailankani Matriculation Higher Secondary School, Hosur, Tamil Nadu
- ▶ Vailankani Matriculation Higher Secondary School, Krishnagiri
- ▶ Vailankani Matriculation Higher Secondary School, Shoolagiri
- ▶ Vailankani Matriculation Higher Secondary School, Denkanikottai
- ▶ Vailankani Matriculation Higher Secondary School, Bargur

Vision  To be the trendsetter in knowledge industry by developing and grooming budding managers through education, innovation, research, consultancy and form a knowledge nerve centre of par excellence.

Mission  To be the trendsetter in knowledge industry by developing and grooming budding managers through education, innovation, research, consultancy and form a knowledge nerve centre of par excellence.

Values  • Maintain high academic standards in teaching, research and contribution to society

- Integrated learning with emphasis on lifelong learning skills.
- Commitment to students- nurture their talents to become responsible leaders
- Continuous improvement of our programs and people
- Strive to develop students with global orientation
- Develop customer centricity, strong sense of values and integrity among the faculty, staff and students.

ABOUT THE INSTITUTE

Centrally located, the IMT Faridabad was propounded in 1995 by Adhiyamaan Educational & Research Institutions (Trust). The Institute is affiliated to Maharshi Dayanand University, Rohtak which is a State University established under Haryana Act No. 25 of 1975 with the objective to promote inter-disciplinary higher education and research. The University has been awarded with Grade A+ by NAAC; ranked 94th among top 100 Indian Universities and 1st among State Universities of Haryana in NIRF 2021 by MHRD, Govt. of India.

IMT campus spread over 3.5 acres of land, has ultra-modern four storey building consisting of one lac square feet of constructed area. IMT is known for its academic integrity, ethical governance and intellectual growth on one hand, and for its blend of cutting-edge curriculum, skill-building pedagogy and uncompromising learner-centricity on the other. We impart higher education basically to shape and sharpen young managers to achieve the set goals by inspiring the spirit of Interest, Commitment and Enthusiasm in practical business management. It is not just an Institute but an ideal platform and forum for corporate techno-managerial aspirants. IMT Faridabad is recognized nationwide as a leader in the field of Management Education and Computer Applications.

Vice-Principal's Message

Prof. (Dr.) Parul Khanna
Vice-Principal IMT

As Vice-Principal of IMT, I feel privileged to work with a dedicated team of faculty, staff, parents, and students who strive for excellence every day. We believe that education is the foundation of knowledge, character, confidence, and success, empowering students to become responsible and capable individuals.

At IMT, we are committed to providing value-based education, holistic development, and opportunities for academic, professional, and personal growth. Through academics, co-curricular activities, sports, and personality development initiatives, we encourage students to explore their potential in a nurturing and dynamic environment.

I am proud to be a part of an institution that continues to inspire learning, leadership, and meaningful contributions to society and the nation.

DEPARTMENT OF MANAGEMENT : PG **MBA**

General / For Working Professionals

The two-years full-time MBA Programme, affiliated to Maharshi Dayanand University, a NAAC 'A+' accredited university, and approved by the All India Council for Technical Education, is designed to develop future-ready management professionals with strong analytical, leadership, and decision-making abilities. The programme offers an ideal blend of academic excellence, practical exposure, and industry-oriented learning to develop competent and future-ready management professionals. The first year provides comprehensive exposure to key functional areas of business, helping students identify their interests and strengths, followed by industry internship opportunities for experiential learning and corporate interaction. Students may pursue dual specializations offered by the Institute to enhance their professional competence and career opportunities. The programme also includes industry-relevant dissertation projects under expert faculty guidance, fostering research aptitude, innovation, and practical problem-solving skills.

Programme Highlights

- Industry-focused and future-ready curriculum
- Experiential learning through projects and internships
- Experienced faculty with regular and industry interaction
- Leadership development, personality development, and placement support.

Key Benefits

- Enhanced managerial and leadership skills
- Diverse career opportunities across industries
- Strong professional network and industry exposure
- Better career growth and earning potential

Who Should Enroll?

- Fresh graduates seeking careers in management
- Working professionals aiming for career advancement
- Entrepreneurs and family business owners
- Aspiring leaders and business innovators

Eligibility Criteria

- Graduation with at least 50% marks
- Currently Employed in a Corporate Entity, PSU, Govt. Sector, or engaged as an Entrepreneur

Degree guided by Government A+ NAAC Accredited University,
MDU Rohtak, AICTE recognized Regular Degree under NEP

STRUCTURE OF MBA PROGRAM

IMT

SEMESTER I

Discipline-Specific Courses – Major (DSC 1)

- Management Process and Organizational Behaviour
- Finance for Managers
- Managerial Economics
- Business Environment

- Business Research Methods

Skill-Enhancement Course (SEC 1)

- Business Ethics and Communication Skills

Vocational Course (VOC 1)

- IT for Managers -1

Internship - 2

- Internship Report 1

The students are required to choose either SEC1 or VOC 1 or Internship 1

SEMESTER II

Discipline-Specific Courses – Major (DSC 2)

- Strategic Marketing
- Strategic Human Resource Management
- Management Information System
- Total Quality Management

- Emotional Intelligence

Skill-Enhancement Course (SEC 2)

- Personality & Soft Skills Development

Vocational Course (VOC 2)

- IT for Managers - 2

Internship - 2

- Internship Report 2

Note:

- The students are required to choose either SEC3 or Internship or Project Work.
- Students are required to choose any two courses from any two specialization areas offered under a dual specialization scheme from the given three groups, selecting not more than one specialization from one Group.
- The specialization area opted for in the 3rd Semester would remain the same in the 4th semester also.

SEMESTER III

Discipline-Specific Courses (DSC) – Major

- Strategic Management

Marketing

- Consumer Behavior
- Social Media Marketing
- Retail Management

Finance

- Indian Financial System and Financial Services
- Project Management
- Business Taxation

Human Resource Management

- Compensation Management
- Management of Industrial Relations
- Cross Cultural Human Resource Management

Information Technology

- E-Commerce and Applications
- Multimedia and Web Development
- Advanced Database Management System

International Business

- International Trade Theory and Practices
- Export Import Management and Documentation
- Foreign Exchange Management

Operations Management

- Technology Management
- Supply Chain and Logistics Management
- Operations Research

Business Analytics

- Basics of Business Analytics
- Applied Multivariate Analysis
- Information Economics and its Applications

Agri-Business

- Agri-Business Environment and Policy
- Agri-Business Management
- Agri-Business Entrepreneurship

Public Policy

- Public Policy Formulation and Evaluation
- Sustainable Development
- Rural Development

Skill-Enhancement Course (SEC3)

- Digital Marketing

Internship - 3

- Summer Internship Report – 3

Project Work - 1

- Project Report- 1

SEMESTER IV

Discipline-Specific Courses (DSC) – Major

- Entrepreneurship Development

Marketing

- Integrated Marketing Communication
- Product and Brand Management
- Sales & Distribution Management

Finance

- Financial and Commodity Derivatives
- International Financial Management
- Investment Management

Human Resource Management

- Training and Development
- Performance Management Systems
- Organizational Change and Intervention Strategies

Information Technology

- Information Security and Cyber Laws
- System Analysis and Design
- Programming in Visual Basic

International Business

- Cross Cultural and Global Management
- Management of Multinational Corporations
- International Logistics

Operations Management

- Transportation Management
- Warehouse Management and Inventory Control
- Supply Chain Analytics

Business Analytics

- Economics for Business Strategy
- Econometrics for Business Analytics
- Predictive Business Analytics

Agri-Business

- Agricultural Input Mktg. & Post-Harvest Management
- Life Stock Business Management
- Agricultural Marketing Management

Public Policy

- Public Finance Administration
- Risk and Disaster Management
- Developmental Economics

Skill-Enhancement Course (SEC4)

- Data Analysis using Excel

Internship - 4

- Summer Internship Report – 4

Project Work - 2

- Project Report- 2

GROUP A

- Human Resource Management
- Business Analytics
- Information Technology

GROUP B

- Marketing
- Public Policy
- Agri-Business

GROUP C

- Finance
- International Business
- Operations Management

A minimum of twenty students are required to offer any specialization area from any two groups.

DEPARTMENT OF COMPUTER SCIENCE : PG **MCA**

General / For Working Professionals

Established in 1998, the Department of Computer Applications is committed to developing future-ready IT professionals through academic excellence, innovation, and industry-oriented learning. The MCA programme combines strong theoretical foundations with practical exposure, preparing students for successful careers in the rapidly evolving IT sector.

The four-semester programme covers emerging areas such as Artificial Intelligence, Machine Learning, Cloud Computing, Big Data Analytics, IoT, Mobile Applications, Web Technologies, Databases, and Networking. Learning is enriched through live projects, internships, workshops, coding events, and industry interactions.

Supported by experienced faculty and modern computing laboratories, students gain hands-on experience in technologies such as Java, Python, Android, .NET, and AI frameworks. With its industry-aligned curriculum and focus on innovation, the MCA programme equips students with the technical expertise and professional skills needed to excel as software developers, data analysts, AI specialists, cybersecurity professionals, and technology leaders.

Programme Highlights

- Industry-aligned curriculum with emerging technologies
- Hands-on learning through projects, labs and internships
- Experienced faculty and industry mentorship
- Focus on innovation, coding and problem-solving skills

Key Benefits

- Strong foundation in software development and IT systems
- Career opportunities in software, data, cloud and cybersecurity domains
- Enhanced technical, analytical, and programming skills
- High demand across IT companies, startups and global organizations

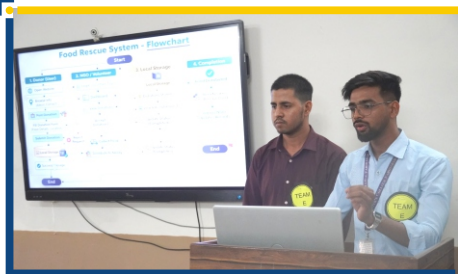

Who Should Enroll?

- Graduates aspiring for career in Information Technology
- Students passionate about programming and software development
- Professionals seeking advanced IT knowledge and specialization
- Future innovators, developers and technology leaders

Eligibility Criteria

- BCA/B.Sc. (CS)/B.E./B.Tech. (CSE/IT)/B.Voc. (IT/Software Dev.) or equivalent with 50% marks (45% for Haryana SC/ST).
OR
- B.Sc./B.Com./B.A with Mathematics either at 10+2 or graduation level with 50% marks (45% for Haryana SC/ST). Such students must complete and pass a mandatory Bridge Course (3 theory + 1 practical) as per University norms.

Degree guided by Government A+ NAAC Accredited University,
MDU Rohtak, AICTE recognized Regular Degree under NEP

STRUCTURE OF MCA PROGRAM

COURSE CODE

Course Code	Course Name
20BCC11C1	Computer Fundamentals and Programming in C
20BCC11C2	C++ and Data Structures
20BCC11C3	Visual Basic and Database Systems
20BCC11CL1	Software Lab Based on 20BCC11C1,20BCC11C2 or 20BCC11C3
TOTAL	Credits 16

Note: It is compulsory for each student to pass out Bridge Course (three additional theory papers and one software lab as prescribed in scheme of examination of Bridge Course) as per University norms during the 1st year of MCA-2 year course and the degree will be awarded after the completion of Bridge Course. However, these papers under Bridge Course will be taught only in the 1st semester of the course.

MCA FIRST YEAR WITH EFFECT FROM THE SESSION 2021-22

SEMESTER - I

Paper Code	Course
20MCA21C1	Object Oriented Programming Using JAVA

DEPARTMENT OF MANAGEMENT : UG

BBA & BBA-CAM

General / Computer Aided Management

IMT's three-years undergraduate **Bachelor of Business Administration (BBA – General)** programme is designed to provide students with a strong foundation in business management and develop the professional competencies required in today's dynamic corporate environment. Affiliated to Maharshi Dayanand University, the programme offers comprehensive exposure to key areas such as Management, Marketing, Finance, Human Resource Management, Operations, Entrepreneurship and Digital Business. Through a balanced blend of theoretical learning, internships, live projects, industrial visits, workshops, and industry interaction, students develop analytical, managerial, communication, and leadership skills essential for successful careers in corporate organizations, startups, and service industries, while also preparing for higher studies in management and allied fields.

IMT's **Bachelor of Business Administration with Computer-Aided Management (BBA-CAM)** is a professionally-oriented undergraduate programme that combines the fundamentals of Business Administration with modern Computer Applications and digital technologies. The programme equips students with knowledge in Marketing, Finance, Human Resource Management, Operations, Entrepreneurship, Information Technology, Data Management, and Digital Business Practices, enabling them to meet the demands of the evolving corporate and technology-driven business environment. With a strong emphasis on practical learning through internships, live projects, workshops, seminars, and industry exposure, the programme develops students' managerial, analytical, technical, and leadership skills, preparing them for diverse career opportunities in business, IT-enabled services, and emerging digital sectors.

Programme Highlights

- Industry-oriented curriculum with practical business exposure
- Specialized learning in Management and Computer Applications
- Experiential learning through projects, workshops, and internships
- Focus on leadership, communication, and entrepreneurial skills

Key Benefits

- Strong foundation in business management and technology
- Enhanced employability across diverse industries
- Development of analytical, managerial, and digital skills
- Pathway to higher studies and professional growth

Who Should Enroll?

- Students aspiring for careers in business and management
- Individuals interested in business with technology integration
- Future entrepreneurs and business leaders
- Learners seeking industry-relevant managerial skills

Eligibility Criteria

- 10+2 with minimum 50% marks in CBSE or Haryana Board or any recognised Board. Lateral entry for students in BBA/BBA-CAM II Year who passed Diploma from any Recognised Polytechnic in any stream.

Degree guided by Government A+ NAAC Accredited University,
MDU Rohtak, AICTE recognized Regular Degree under NEP

DEPARTMENT OF COMPUTER SCIENCE : UG

BCA

Artificial Intelligence-Machine Learning / Data Science

The Department of Computer Applications is committed to nurturing future-ready IT professionals through quality education, innovation, and practical learning. The NEP based BCA programme is designed as per the latest AICTE norms that equips students with strong technical knowledge and professional skills required in the rapidly evolving digital world. The curriculum offers a perfect blend of programming, software development, data structures, artificial intelligence, machine learning, data analytics, cloud computing, cyber security, Generative AI, AR/VR, Neural Networks, and Deep Learning. Emphasis is laid on hands-on learning through practical sessions, mini projects, internships, coding activities, and industry exposure. The Department is supported by experienced faculty members and state-of-the-art computer laboratories equipped with modern systems, advanced software tools, high-speed internet, and Wi-Fi connectivity. Students gain practical exposure across various platforms and technologies including C, Java, Python and AI frameworks. The programme prepares students to become skilled software developers, programmers, analysts, entrepreneurs, and technology professionals capable of meeting global industry demands with confidence and innovation.

Programme Highlights

- Industry-focused curriculum in computing and emerging technologies
- Practical learning through coding, projects, and lab work
- Experienced faculty with industry-oriented teaching approach.
- Focus on innovation, problem-solving, and technical skills

Key Benefits

- Strong foundation in computer applications and software development
- Career opportunities in IT, software, web, and data domains
- Enhanced programming, analytical, and technical competencies
- Excellent pathway to MCA and other advanced technology programmes

Who Should Enroll?

- Students passionate about computers and technology
- Aspiring software developers and IT professionals
- Learners seeking practical and industry-relevant technical skills
- Individuals aiming for careers in the digital and technology sector

Eligibility Criteria

- 10+2 with minimum 45% marks in CBSE or Haryana Board or any recognised Board.

Degree guided by Government A+ NAAC Accredited University,
MDU Rohtak, AICTE recognized Regular Degree under NEP

Semester wise Curriculum for UG Degree in Bachelor in Computer Applications BCA/BCA (Honours)/ BCA (Honours with Research) and Specialization in (i) AI & ML (ii) Data Science

CORPORATE PLACEMENT CENTRE **CPC**

The Corporate Placement Centre (CPC) at IMT is an initiative which continuously strives to fulfill the changing socio-economic scenario of the country in which new areas of specialization and job opportunities are rapidly emerging. CPC progressively enhances the synergy between the institution and industry and also strictly safeguards as well as controls the quality of services being offered to the industry and businesses at large, while ensuring the highest quality training, internship and placement opportunities to the budding managers and technocrats. The CPC corresponds with prospective recruiters, arranges pre-placement talks and workshops, and provides all facilities required by visiting companies.

Objectives

Skill Development	Career Guidance	Industry Exposure	Bridging the Gap	Competency Enhancement
Identify students' potential and map out their competencies.	Provide career guidance and professional counselling	Facilitate industry exposure and workplace readiness.	Bridge the gap between academic learning and industry expectations.	Enhance technical, interpersonal, and professional competencies for successful careers.

CPC Placement Process

Step 1
Companies Invited for Campus Recruitment
Step 2
Corporate Interaction & Discussion on Profile
Step 3
Companies Confirm Participation & Conduct Pre-Placement Talks
Step 4
Pre-Placement Offers by Companies
Step 5
Student Confirms Offer and Completes All Formalities
Step 6
Placement Week Conducted and Offers Made

Alumni placed : 2245

Entrepreneurs : 987

Group Captain. Dr Anand Sarup (Retd.)

My MBA journey at IMT Faridabad was enriching and transformative, thanks to its supportive culture, academic excellence, and student-centric environment. The dedicated faculty, responsive leadership, and practical learning opportunities fostered both personal and professional growth. I highly recommend IMT to professionals seeking quality management education with real-world relevance.

Neeraj Sharma

Founder & MD Ekapad group

My experience at college has been truly enriching. The supportive faculty, practical learning environment, and numerous opportunities for personal and professional growth helped me build confidence and skills for my future career. I am grateful to the institution for shaping my journey and providing valuable guidance throughout.

Chanchal Deshwal

B. Tech, M. Tech (NIT, Bhopal), MBA

I was initially hesitant about joining IMT Faridabad for my MBA, but after interacting with its students and learning about the highly qualified faculty, I chose to enroll-and it turned out to be one of the best decisions of my life. The institute consistently exceeded expectations by providing exceptional academic support and numerous opportunities for holistic growth. Even today, I remain connected with my professors and deeply cherish the guidance of Dr. Ravi Handa Ji and the invaluable learning experience at IMT.

Monu Chandila

MBA , Marketing Officer Scale 1 in Punjab National Bank

IMT Faridabad is one of the best MBA colleges in Delhi NCR, offering quality education at an affordable cost, making it an ideal choice for students from middle-class families. The faculty and staff, especially Meenu Dhembra Ma'am, Parul Khanna Ma'am, and Geeta Shiromani Ma'am, were always supportive and encouraging. What truly sets IMT apart is its lifelong connection with students, as I continue to receive guidance and support even after graduation.

Veteran Col (Dr) Atul Kumar

PSC, M.Sc, MCA, MBA (SCM), MBA (Fin & HR), MBA (SDM), Ph.D., Business and Management Consultant, Ex CEO AKSIT/ Director Deloitte India / Principal Consultant BCG / Advisor NCRTC

My MBA journey at IMT Faridabad was truly transformative. Under the inspiring leadership of Dr. Ravi Handa and the guidance of an exceptional faculty, the institute provided the perfect environment to enhance my management knowledge, leadership skills, and professional outlook. The values of discipline, resilience, and excellence that I gained at IMT continue to guide me, and as President of the IMT Students Alumni Association, I proudly wish the institution continued success and future generations of students a rewarding journey ahead.

Ishita Patel

Technical Support Worker at Creative Support, London

My journey at IMT Faridabad was truly enriching, offering a perfect blend of academic excellence, extracurricular opportunities, and personal growth. As a student from Gujarat, I always felt supported and encouraged by the caring faculty, who made me feel at home and helped me overcome every challenge. The friendships, experiences, and values I gained at IMT continue to shape my life, and I will always cherish my association with the institute.

Hemendra Parashar

Technical Team Lead at LTIMindtree, Noida.

Over the past seven years, I have built a rewarding career, starting as an Application Manager at TCS and currently serving as a Technical Team Lead at LTIMindtree, where I lead teams and deliver innovative technology solutions. IMT Faridabad played a crucial role in shaping my professional journey by providing academic excellence, practical learning, and the confidence to excel in a dynamic corporate environment. I remain grateful to the institute for instilling values of discipline, teamwork, and continuous learning that continue to guide my success.

Yogesh Kumar

Senior SDET, Bug Hunters, Noida

My journey at IMT Faridabad laid a strong foundation for my professional growth by equipping me with technical expertise, leadership skills, and the confidence to excel in the corporate world. After starting my career with Bug Hunters, I progressed to the role of Senior SDET, contributing to multiple projects across diverse domains. I remain grateful to IMT for instilling the values of discipline, adaptability, and continuous learning that continue to drive my success.

Aman Vyas

Senior Team Lead, Mastek, Gurugram

My journey at IMT Faridabad was truly transformative, providing me with quality education, valuable industry exposure, and a supportive environment that fostered both personal and professional growth. As a student from Assam, I felt welcomed and encouraged by the dedicated faculty, which helped me adapt quickly and achieve my goals. Today, as a Senior Team Lead at Mastek, Gurugram, I remain grateful to IMT for laying the foundation of my successful career and confidence to excel.

Farheen Saba

Active Directory & Identity Access Management Professional, TCS Noida

I am proud to be an alumnus of IMT Faridabad, an institution that played a pivotal role in shaping my academic foundation, professional skills, and personal growth. The supportive faculty, industry-oriented curriculum, and numerous learning opportunities helped me develop the knowledge, confidence, and leadership qualities needed for a successful career. Today, as an Active Directory and Identity Access Management professional at TCS, I remain grateful to IMT for providing the strong foundation and values that continue to guide my professional journey.

IIC INNOVATION AND HOLISTIC LEARNING

The **Institution's Innovation Council (IIC)** at IMT, established under the initiative of the Ministry of Education's Innovation Cell (MIC) in collaboration with AICTE, promotes a culture of innovation, creativity, and entrepreneurship among students and faculty. It provides a vibrant platform for ideation, design thinking, startup development, intellectual property awareness, and industry-academia interaction. Through workshops, competitions, mentoring, and incubation support, the IIC nurtures innovative ideas and transforms them into impactful entrepreneurial ventures. Multitude of activities are being conducted and organized under the cell. A glimpse of which are:

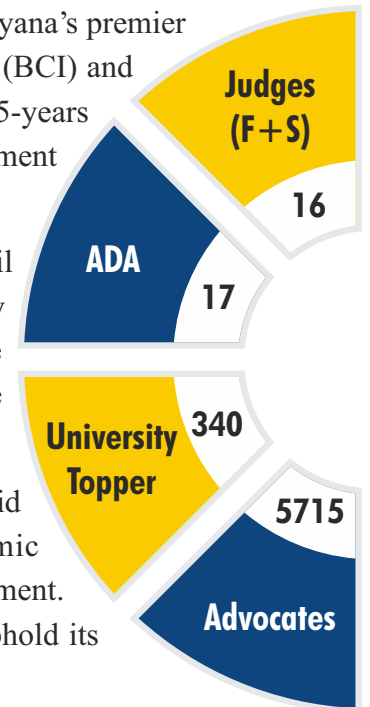

INSTITUTE OF LAW & RESEARCH

ABOUT THE INSTITUTE

Established in 2001, the Institute of Law & Research (ILR), Faridabad is one of Haryana's premier institutions for legal education and research, approved by the Bar Council of India (BCI) and affiliated to Maharshi Dayanand University (MDU), Rohtak. The Institute offers 5-years Integrated B.A. LL.B., 3-years LL.B. and 2-years LL. M. programmes with a commitment to academic excellence, professional ethics, and social responsibility.

Over the years, ILR has created an illustrious legacy with 16 Judicial Officers (Civil Judges & Sessions Judges), 17 Assistant District Attorneys (ADAs), 340 University Toppers, and more than 5,715 advocates serving across the legal profession. The Institute takes pride in nurturing competent legal professionals who contribute significantly to the judiciary, bar, and public service.

With experienced faculty, modern infrastructure, moot court facilities, legal aid initiatives, and student-centric learning, ILR provides an enriching academic environment that fosters research, advocacy skills, leadership, and community engagement. Conveniently located in Faridabad with excellent connectivity, ILR continues to uphold its vision of promoting quality legal education and advancing access to justice for society.

Dr. Pradeep Kumar Singh

LL.M., UGC NET, Ph. D. (Law)

It gives me immense pleasure to welcome you to ILR College, an institution committed to academic excellence, professional growth, and holistic development. Our college strives to provide a vibrant learning environment where students are empowered to acquire knowledge, develop critical thinking, and build the skills required to excel in their chosen fields. Education today extends beyond the boundaries of classrooms. At ILR College, we combine quality teaching with modern learning methodologies, technological advancements, and practical exposure to ensure that our students are prepared to meet the challenges of a rapidly changing world. Our dedicated faculty members continuously guide and inspire students to achieve academic success while fostering values of integrity, discipline, and social responsibility. We believe that every student possesses unique potential. Through academic programs, co-curricular activities, skill development initiatives, seminars, workshops, and community engagement, we encourage students to explore their talents and become confident, responsible, and compassionate individuals. Our mission is not only to prepare students for successful careers but also to nurture future leaders and responsible citizens who contribute positively to society. We take pride in the achievements of our students and alumni who have brought distinction to the institution through their professional accomplishments. I invite you to become a part of the ILR College family and embark on a journey of learning, growth, and self-discovery. I am confident that your time here will be enriching, rewarding, and transformative. Wishing you every success in your academic pursuits and future endeavors.

Legal Aid Clinic

Classrooms

Spacious, well-ventilated classrooms equipped with multimedia projectors and modern teaching aids for an enhanced learning experience.

Library

A comprehensive legal resource centre with books, journals, case reports, newspapers, and digital legal databases supporting research and academic excellence.

Teaching Methodologies

Experiential learning through lectures, seminars, debates, moot courts, court visits, legal aid camps, case studies, and project work.

Cybernetics & Computer Lab

State-of-the-art air-conditioned computer lab with internet access and leading legal databases including Manupatra and Westlaw International.

Anti-Ragging Cell

A proactive Anti-Ragging Cell ensures a safe, disciplined, and inclusive campus environment in compliance with statutory guidelines.

Moot Court & Legal Aid Clinic

Dedicated Moot Court Hall and Legal Aid Clinic provide practical advocacy training, legal research exposure, and community legal services.

Seminar Hall

Cells and Committees

Career Counselling

Career Guidance and Placement Cell facilitates professional training, career planning, internships, and employment opportunities in the legal sector.

Alumni

A vibrant alumni network of legal professionals, academicians, civil servants, and corporate leaders making significant contributions globally.

Internship Programme & Placement Cell

Structured internship and placement support enhances employability through industry interaction, skill development, and career opportunities.

Personality Development Programme (PDP)

Specialized PDP initiatives strengthen communication, leadership, problem-solving, and professional skills for overall student development

Cells & Committees

The Institute has constituted various Cells and Committees, including the Academic, Disciplinary, Internal Complaint Committee (ICC), Literary & Cultural, Editorial, Legal Aid, Students Welfare, Moot Court, Anti-Ragging Committees, Coaching & Guidance Cell, Women Cell and SC/ST Cell to foster academic excellence, discipline, inclusivity, leadership and holistic student development.

5 Year (Hons.) Programme

The B.A. LL.B. (Five-years Hons. Integrated Programme) at the Institute of Law & Research (ILR), Faridabad, offers a blend of legal education and social sciences, providing students with a multidisciplinary understanding of law, governance, and society. Spread over ten semesters, the programme integrates subjects such as Political Science, Sociology, Economics, and History with core areas of law, including Constitutional Law, Criminal Law, Contract Law, Family Law, Corporate Law, Labour Law, Environmental Law, and Intellectual Property Rights. The curriculum is designed to develop legal knowledge, analytical thinking, advocacy skills, and professional ethics. Students gain practical exposure through moot courts, legal aid activities, internships, seminars, workshops, case studies, and research projects.

Guided by experienced faculty and modern teaching methods, the programme prepares students for careers in litigation, judiciary, corporate legal practice, legal consultancy, public administration, academics, and higher studies. It also fosters a commitment to justice, constitutional values, and social responsibility.

Programme Highlights

- Integrated Arts & Law Study
- Ten-Semester Curriculum

DEPARTMENT OF LAW : UG **LL.B.**

3 Years Programme

The LL.B. (Three - Years Programme) at the Institute of Law & Research (ILR), Faridabad, is designed for graduates aspiring to build successful careers in the legal profession. Spread over six semesters, the programme provides a strong foundation in legal principles, analytical reasoning, advocacy skills, and professional ethics.

The curriculum covers key areas of law, including Constitutional Law, Jurisprudence, Contract Law, Criminal Law, Family Law, Property Law, Corporate Law, Environmental Law, Labour Law, and Intellectual Property Rights. It aims to develop a comprehensive understanding of the legal system and its role in society.

Learning at ILR extends beyond the classroom through moot courts, legal aid activities, internships, seminars, workshops, court visits, and research projects. These practical experiences enhance advocacy, drafting, research, and problem-solving skills.

The programme prepares students for careers in litigation, judiciary, corporate legal practice, legal consultancy, public administration, academics, and higher legal studies, equipping them to become competent and ethical legal professionals.

Programme Highlights

- Comprehensive Legal Education
- Six-Semester Curriculum
- Practical Learning Exposure

DEPARTMENT OF LAW : PG **LL.M.**

2 Years Programme: Evening Course

The LL.M. (Two-Year Master of Laws) Programme at the Institute of Law & Research (ILR), Faridabad, is designed to provide advanced legal education and specialized knowledge to law graduates. Spread over four semesters, the programme enhances students' understanding of legal principles, contemporary legal issues, and emerging areas of law while developing strong research and analytical skills. The curriculum focuses on specialized legal studies, comparative legal analysis, policy evaluation, and advanced legal research. Through seminars, case studies, presentations, and research projects, students gain deeper insights into national and international legal developments. A key component of the programme is the dissertation, which enables students to undertake independent research and contribute to legal scholarship under expert faculty guidance. The programme prepares graduates for careers in academia, research, judiciary, legal consultancy, corporate sectors, public service, and policy-making. It also provides a strong foundation for doctoral studies and advanced legal research, fostering competent legal scholars and professionals.

Programme Highlights

- Specialized Legal Education
- Research & Dissertation Focus
- Interactive Learning Methods
- Expert Faculty Guidance

Key Benefits

- Advanced Legal Expertise
- Enhanced Career Opportunities
- Research & Academic Exposure
- Foundation for Ph.D. Studies

Who Should Enroll?

- Law Graduates
- Aspiring Researchers
- Legal Professionals

IQAC ASSURING EXCELLENCE IN LEGAL EDUCATION

The Internal Quality Assurance Cell (IQAC) of the Institute of Law & Research (ILR), Faridabad, is committed to fostering a culture of excellence through continuous quality enhancement in academics, administration, and institutional practices. It promotes innovation, stakeholder participation, and best practices to ensure holistic development and outcome-based legal education. IQAC actively monitors quality benchmarks and drives initiatives aligned with national standards and emerging educational needs. It organizes quality initiatives such as Academic & Administrative Audits, feedback mechanisms, faculty development programmes, seminars, and workshops. Through continuous assessment and strategic planning, IQAC ensures sustained institutional growth and academic excellence. The Cell also encourages research, innovation, and quality assurance practices to strengthen institutional effectiveness and stakeholder satisfaction.
